

# ORGANISER SERVICES

Official Contractor Services

Beautify the hall registration counter (KLCC)

## Registration Counter

We also design the mobile and modular registration counters using aluminum construction elements, octagonal and square profiles and materials such as wood, chipboard etc.

Modular counter with standard system (MVEC)

Renovated registration counter (PWTC)

Directional board (SDCC)

## Information Counter

A help desk is a resource intended to provide the exhibitors or visitor with information and support related to the exhibition.

Information board (KLCC)

Booth location Board (PWTC)

Guide to your destination (SDCC)

## Form Filling Counter

A place for audience filling up their form. Saving more time and more efficient.

Located walkway (SCCC)

Leading to hall (SCCC)
