Mesh transparency printing

LUMI SYSTEM

Lumi System brings massive production values to trade show exhibits with even modest budget. These tailored displays can help you create a face-to-dace experience to stimulate sales, engage propects at exhibition, trade show & events. To spotlight your message in brilliant colors with a punch even from a distance.

Each section id fully assembled prior to shipping, however the booth can be disassembled if needed to space constraints under certain circumstances. Be captivated by how it illuminates a large area with a vibrant color wash and brings your exhibit to life. Making a smart choice to invest in a custom tailored design that can proves your company value and relevance.
